

Volkswagen Genuine Accessories

**An individual approach to mobility.
Accessories for the Sharan.**

Movement fascinates. In fact, there are few subjects that excite people more.

Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Before a vehicle even appears on the market, Volkswagen Genuine Accessories are developed, tested and approved alongside it.

Quality and function down to the smallest detail are what make Volkswagen Genuine Accessories so irresistible. Experience our broad range of six product families for individual mobility – for even more driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

Sport and design

Aerodynamic add-ons, rear trim in chrome look, sports exhaust

4-5

Wheels and tyres

Alloy wheels, snow chains

6-7

Communications

Car infotainment, CD storage bag, DVD Voyager 4, iPod adapter, telephone cradle, hands free system

8-13

Transport

Roof, tailgate and interior transport systems, tow bar, child seats

14-19

Comfort and protection

Hot and cold box, seat covers, clothes hanger, footmats, loading lip guard, luggage space inserts, mudflaps

20-21

Service and care

Care and cleaning agents, first-aid pouch, warning waistcoat, Warning triangle

22-23

The vehicles depicted in this catalogue feature, to varying extents, additional accessories and/or extra specifications. These, and any decorative elements shown, are not included in the delivery specifications of the products described.

Variability and diversity.

The ultimate in dynamism and expression. Volkswagen Genuine Accessories were included in the process of developing your Sharan from the very beginning. That means they match the vehicle perfectly, giving a harmonious overall impression. For pure, lasting driving pleasure.

Front spoiler

(pictured left)

Strong lines: the sporty front spoiler accentuates the powerful face of the Sharan and reduces the lift on the front axle. Made from resilient, high-quality plastic.

Item no. 7M0 071 609 B 9AX

Side sill set

(not pictured)

Gives the vehicle flowing side lines and a lowered look. Precisely moulded to the shape of the Sharan.

Item no. 7M0 071 685 B 9AX For vehicles of model year 03 or earlier

Roof spoiler

Made from polyurethane hard integral foam, making it particularly impact-resistant and tough.

Item no. 7M0 071 640 B 9AX

Rear spoiler

Rounds off the Sharan's striking appearance: rear spoiler made from high-quality, flexible plastic (PUR-RIM).

Item no. 7M0 071 610 B 9AX

Rear trim in chrome look

This attractive rear trim with its high-gloss chrome look gets heads turning. Its tough surface protects against scratches and knocks. No drilling is required to fit to vehicle.

Item no. 7M0 071 360

Sports exhaust end-pieces

Powerful sound, beautiful design. These angled double exhaust end-pieces made from stainless steel with a 76 mm diameter round off the visual impression and are perfectly suited to the rear apron. Not suitable for the Sharan V6.

Item no. 7M0 071 902

Dynamics and design.

Volkswagen Genuine Accessories alloy wheels are tailored to the characteristics of your vehicle's chassis down to the last detail. A heat-hardened alloy of aluminium, magnesium and silicon makes the wheels more resilient to scratches and knocks. And we will vouch for that: all Volkswagen Genuine Accessories alloy wheels carry a full three-year guarantee.

At www.volkswagen-zubehoer.de you will find the Wheel Configurator, which allows you to view your vehicle fitted with the alloy wheels of your choice.

Estemo alloy wheel

Wheel size: 8J x 17", ET 45

For use with tyre size:

225/45 R17-94

Colour: brilliant silver

Item no. **7D4 071 492 666**

Delta Sun alloy wheel

Wheel size: 7J x 17", ET 54

For use with tyre size:

225/45 R17-94

Colour: brilliant silver

Item no. **7M0 071 492 666**

Contur alloy wheel

Wheel size: 7J x 16", ET 59

For use with tyre size:

215/55 R16-95

Colour: brilliant silver

Item no. **7M0 071 491 666**

Also available as a complete wheel.

Snow chains

This high-quality stationary mounting chain made from durable titanium alloy can be quickly fitted to the stationary vehicle, and will get you safely wherever you want to go.

Wheel size: 6J x 15", ET 55, tyre sizes: 195/65 R15 and 205/60 R15

Wheel size: 6J x 16", ET 53, tyre size: 195/60 R16

Item no. **000 091 387 E**

Please see the enclosed price list for information about other snow chains.

Standard wheel nuts can still be used for all Genuine Accessories wheels. A special, highly resilient varnish ensures that all our alloy wheels are perfectly suited to winter conditions.

You will find our range of complete wheels in the enclosed price list.

Information and entertainment.

Volkswagen Genuine Accessories are your ally for excellent entertainment and quick access to information. All of the elements are adapted to the connectors of your Sharan, and function reliably. We wish you an entertaining journey!

MCD radio navigation system

Radio with CD drive and navigation system. Direction instructions are acoustic or shown on the monochrome display. RDS/EON, TP, TA and TIM. Output power 4 x 20 Watt.

Item no. 1J0 057 191 A

Item no. 7M3 051 322 C

Retrofit installation set, including antenna

Navigation CD – Club Edition V5 Germany

(not pictured)

For the MCD radio navigation system. New: now includes Mobility and Care Port partners.

Item no. 0B0 051 413 A

CD Radio RCD 200

Radio with monochrome display and integrated CD drive. Plays MP3s and displays titles. With RDS function and speed-linked volume adjustment (GALA). Separate treble and bass adjustment, balance control and fader. Output power 2 x 20 or 4 x 20 Watt.

Item no. 6Q0 057 152 A

MFD radio navigation system

(pictured left)

Radio with CD changer controller and combined navigation computer. Direction-of-travel indicator. Pivoting 6.5" multi-function TFT display with menu control. RDS/EON, TP, TA and TIM. Security code. Output power 4 x 20 Watt.

Item no. 3B0 057 191 D

Item no. 7M3 051 322 B

Retrofit installation set, including antenna

TMC retrofit set

(not pictured)

Traffic Message Channel retrofit set for utilising the dynamic routing facility in the MFD radio navigation system.

Item no. 7M3 051 996

“gamma” stereo radio cassette

Dolby B with RDS/EON, TP, TA, TIM, line out. Auto-reverse and automatic channel memory. Output power 4 x 20 Watt. Additional coding function, CD changer controller and telephone mute function.

Item no. 1J0 057 186 D

Item no. 1J0 057 186 E With removable control panel

“delta” stereo CD radio

The full house. With RDS/EON, TP, TA, TIM. Auto-reverse and automatic channel memory. With digital sound processor. Output power 4 x 20 Watt. Additional coding function, CD player and CD changer controller, telephone mute function.

Item no. 3B7 057 195 B

Case

(not pictured)

For the removable control panel belonging to the “gamma” stereo radio cassette.

Item no. 1J0 051 630

“rhapsody” stereo CD radio

Musical versatility. With RDS/EON, TP, TA and dynamic treble cut. Automatic station memory. Output power 4 x 20 Watt, line out for external end-stage. Additional CD changer controller and telephone mute function.

Item no. 1J0 057 156 A

CD storage bag

Lets you take your own favourites with you wherever you go. Soft-bag storage made from black leather with separate compartments for 12 CDs. With zip to close securely.

Item no. 00V 061 133 01C

CD changer

Choose freely – from the music of your choice. Volkswagen Genuine 6-disc CD changer with motor eject. Frequency response 5–20,000 Hz, double-speed drive with intermediate memory. Noise-shaping D/A converter with 32x oversampling. Holographic 3-beam reader. Shock-absorbent mechanism. For horizontal installation into the DIN compartment instead of the storage compartment. Only for the “gamma” radio.

Item no. 3B7 057 110

CD changer

Play the way you want! CD changer for six CDs. The changer is controlled using the “gamma” or “delta” radio system, the RCD 200, or the radio navigation systems.

Item no. 1J5 057 111 A

PhatBox

The PhatBox car audio system is a hard drive which replaces conventional media such as CDs and audio cassettes, storing up to 7,000 sound tracks as audio files (MP3, WAV, WMA, OGG, FLAC). Using easy-to-use Music Manager software (Windows 98 SE/2000/Me/XP) you can put together your own personal hit parade on your PC at home, and transfer them to the PhatBox’s DMS hard drive using a USB cradle. The unit is controlled using Volkswagen radios/navigation systems with CD changer controllers.

Item no. 000 057 110 B

“DVD Voyager 4” multimedia kit

The “DVD Voyager 4” multimedia kit makes car journeys an especially comfortable experience for all of your back-seat passengers. Makes long drives child’s play – especially if you’re carrying young ones. The tablet DVD player integrated into the 7" TFT display plays DVDs, CDs and MP3s in all common formats. Quick and easy to fit to and remove from the headrests. This crash-tested system can also be extended with additional multimedia kits, a gaming console connection and extensive accessories. Also available as a Basic and Comfort kit. You will find more detailed information in the enclosed price list.

Item no. 000 051 780

iPod adapter

(pictured with iPod)

The iPod adapter allows you to connect your iPod to the Volkswagen radio or navigation system, which can then be used to control the iPod. For safety/security reasons we recommend storing your iPod in the glove compartment of your vehicle.

Item no. 1K0 051 444

For vehicles fitted with telephone kits

Mobile adapter set

(not pictured)

If your vehicle came factory-fitted with a telephone kit, then the mobile adapter set with active mounting will be its perfect companion. Its special feature: for many models it includes two additional buttons that connect you directly to Volkswagen Service and Breakdown. You will find further information in the enclosed price list.

Item no. 3B0 051 435 X**

Information about the **antennae** you need and our latest range of **mobile phones** can be found in the enclosed price list.

*Colour code, see price list.

**X = mobile-specific index. Since the range is constantly growing, we request that you ask your authorised Volkswagen dealer or view the information on website: www.zubehoer-service.de

Ready to receive

Whether your vehicle came fitted with a mobile phone kit or not, you can still choose the system that best suits your needs.

For vehicles without telephone kits

(pictured left)

Telephone cradle

Telephone cradle made from high-grade plastic. Perfectly suited to the interior in both form and function. Attached ergonomically at the side of the dashboard. The function of the airbags, glove compartment, seat adjustment and gears is in no way impaired.

Item no. 7M1 051 601 B FKZ*

Easy mobile installation kit

The easy mobile installation kit was developed for all vehicles that do not come factory-fitted with a telephone kit. It comprises a basic set and a mobile-specific connection set, and enables you to call hands free in the vehicle. If you need to use a different mobile phone, the connection set can be swapped in a few easy moves. The basic set is universally compatible with all mobile phone types.

Basic set

For vehicles factory-supplied without telephone kits.

Item no. 6X0 051 437

Basis set

For vehicles with the "delta" stereo radio cassette.

Item no. 3B0 051 437

Mobile-specific connection set

Item no. 6X0 051 435 X**

Mobile-specific connection set "Plus"

(not pictured)

Allows a laptop or fax machine to be connected in conjunction with the fax/data line.

Item no. 6X0 051 435 X**

Fax/data line

(not pictured)

Item no. 6N0 051 434 C

Mobility and quality.

You are well advised to look to Volkswagen Genuine Accessories when choosing your transport systems. Doing so will guarantee a perfect fit, easy handling, and a level of quality that matches your Sharan in every respect. Play it safe when it comes to transport: choose Genuine Accessories for your Sharan.

Dividing grille

Guards against sliding shopping and luggage, even when braking suddenly. The strong, black, powder-coated steel grating is easy and conveniently secured to the lashing eyes fitted behind the second row of seats using threaded hooks and handy knurled nuts. New holes do not have to be drilled, which means the dividing grille can be removed without leaving any marks. Also suitable for vehicles with headrest airbags and vehicles with a three-point belt on the central seat of the second row.

Item no. 7M0 017 221 B

Basic rack

The basis for your activities and all add-ons – ski and snowboard holders, bicycle holders or our useful ski and luggage box. Made from aluminium sections with plastic cover caps. Mechanical parts made from galvanised sheet steel. With an anti-theft locking device. Net weight: approx. 5.0 kg. For vehicles without roof rails.

Item no. 7M0 071 126

Roof rack bars

With a net weight of 4 kg the roof rack bars are sturdy enough to transport objects safely, yet light and simple to attach to the roof rails of your Sharan. They provide a system basis for all add-ons. For vehicles with roof rails.

Item no. 7M0 071 151

Luggage frame

Don't let loads be a burden. This luggage frame is made from fully galvanised steel tubing. It is sturdy and weatherproof, and offers numerous extra ways of transporting things. The end-tubes can be shifted to create an even loading area. Dimensions: 101 x 76 x 14 cm. Maximum permissible roof load: 75 kg. Net weight: approx. 6.0 kg.

Item no. 191 071 130 F

Surfboard holder

Easy transport for up to two surfboards. Includes two mast holders and two tensioning straps. Quick and easy to fit to the basic rack or roof rack bars.

Item no. 445 071 127

Ski and snowboard holder

(pictured with the basic rack)

Off to the piste! Lockable ski and snowboard holder. Made from anodised aluminium sections.

Item no. 3B0 071 129 B

For max. four pairs of skis/two snowboards

Item no. 3B0 071 129 C

For max. six pairs of skis/four snowboards

“komfort” ski and snowboard holder

(pictured with basic rack)

Boards mean fun. And with this holder you can safely and easily carry up to six pairs of skis or four snowboards. Its practical pull-out function makes it easy to load and unload. Lockable. Made from anodised aluminium sections.

Item no. 1T0 071 129

Ski and luggage box

Extra luggage can be stored in this beautifully shaped, sturdy roof box made from high-quality plastic. With its modern, aerodynamic design and stainless steel look it offers you many useful features. Its quick-release closure makes it quick and easy to fit to your roof rack system. The box can be opened from either side if required, and its extra-wide opening angle makes loading and unloading easier. Exterior dimensions: 190 x 90 x 38 cm, weight: approx. 25 kg, capacity: 450 l. Maximum permissible roof load: 75 kg. For up to six pairs of skis or four snowboards (length: max. 180 cm). City-Crash tested.

Item no. 000 071 175

Extension kit for transporting skis and snowboards in the ski and luggage box

Item no. 000 071 275

Skisack

(not pictured)

Easy transport for up to four pairs of skis of up to 190 cm in length, including ski poles. Protects the skis against damage by other items of luggage in the vehicle or in the roof box. The integrated belt can be slotted into the seatbelt socket in the vehicle. Length: approx. 200 cm. Colour: black.

Item no. 00V 061 202

Storage bag

(not pictured)

When you no longer require the skisack, you can stow it tidily in this storage bag and attach it to the velour in the vehicle using its Velcro pad.

Item no. 00V 061 201

Bicycle holder

For every keen biker. Bicycle holder made from aerodynamically shaped plastic sections. Frame mounting made from matt chrome-plated steel. Lockable. Easy to handle, and easy to fit to the basic rack or the roof rack bars. Net weight: approx. 3.2 kg. City-Crash tested.

Item no. 6Q0 071 128 A

Bicycle rack for tow bar

Makes taking two bikes on holiday a simple affair. Lockable fixing screws enable flexible handling and are an extra safeguard. Quick to assemble on the tow bar ball (D value min. 6.7 kN). Net weight: 14.9 kg. Max. load: 15 kg per bike rail, and depending on the load-bearing capacity of the tow bar.

Item no. 3C0 071 105

Extension kit for third bicycle

Item no. 3C0 071 105 E

Tow bar

(not pictured)

Fixed or removable. See the enclosed price list for notes on use. Please adhere to the permitted tow bar load as specified in the vehicle registration documents. The electrical installation set must be ordered separately; see the enclosed price list for further information.

Item no. 7M0 092 101 B

Fixed

Item no. 7M0 092 155 C

Removable

Bicycle rack for tailgate

(pictured left)

Practical and quick to fit. Carries a maximum of three bicycles. Made from anodised aluminium sections, with an anti-theft locking device. Pre-assembled, therefore especially easy to attach. Net weight: 8.2 kg. Max. load: 45 kg.

Item no. 7M0 071 104 B

Children should travel as safely and comfortably as possible, for which Volkswagen Genuine Accessories provide the best conditions possible. Our tests go way beyond the statutory safety requirements – the side crash test, for instance, confirms the high quality of the child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30 °C – all of this comes as standard.

Bobsy G0 plus ISOFIX

Protection and safety for newborns and infants. The ISOFIX securing system connects the child seat and its frame securely to the bodywork or the front passenger seat. A foot frame provides additional stability and safety. The child seat can be slotted into the ISOFIX mounting and removed from it in a few simple moves, meaning that the frame can be left behind when leaving the vehicle. With the new Bobsy G0 plus ISOFIX, the infant is held safely in the seat by the integrated, height-adjustable 5-point harness straps. The sensitive back of a newborn is protected by the integrated seat insert. Higher side walls and the deep shell provide additional protection. The carry-handle's ergonomically curved shape is also ingeniously thought-out and enables the baby to be put in and taken out easily. Includes sun shield to protect against direct sunshine. Can also be used in vehicles without ISOFIX connectors but with a three-point seat belt. For infants of up to 13 kg or approx. 15 months.

Item no. 00V 019 907

Bobsy G0 plus

(not pictured)

Child seat like the Bobsy G0 plus ISOFIX, but without an ISOFIX connector.

Item no. 00V 019 900 C

Functionality and order.

Well thought-out solutions make life on the move that bit easier. We have developed sensible, high-quality accessories for your individual needs, which protect your vehicle and also offer you practical help when on the road.

Hot and cold box

Whether for picnics or provisions for the journey, this box holds 32 litres, so you will be well kitted out for long stretches. 33 Watts of power keeps the temperature just right – hot or cold. A special attachment system connects the box to the vehicle, preventing it from sliding.

Item no. 7M0 065 403 FKZ*

Seat covers**

(not pictured)

These seat covers made from a durable, breathable synthetic blend protect the seats of your Sharan against heavy use. Your safety, however, is not compromised: crash tests have confirmed that the airbags remain fully functional. The fabric design and colours match the vehicle's standard interior colour schemes. The covers retain their colour and shape even when washed several times.

Clothes hanger

(not pictured)

Keeps your clothing free of creases and clean while you drive. Simply attach the clothes hanger to the headrest. Arrive without a crease in your jacket!

Item no. **00V 061 127**

Loading lip protective film

(not pictured)

Precision-fit loading lip guard made from transparent film. Easy to stick onto the rear bumper. Protects against damage caused by loading and unloading.

Item no. **7M0 061 197**

Rubber footmats

If things are going to get wet, then the rubber footmat set is recommended. They collect dirt and moisture, which can then be easily removed by washing. These footmats are cut to a perfect fit, and are secured to the floor of the vehicle using twist studs that prevent them from sliding. Durable, low-emission material.

Luggage space liner

Light, flexible, and precisely tailored to the contours of your vehicle. Ingenious and highly practical details: 5-cm-high edges to protect against liquids, integrated anti-slip diamond texture, easy to roll up and tuck away in storage when not in use.

Item no. **7M0 061 160**

From first row of seats

Item no. **7M0 061 160 A**

From second row of seats

Item no. **7M0 061 160 B**

From third row of seats

Mudflaps

These precision-fit mudflaps are extremely tough and long-lasting. They protect the underbody, bumpers and rear of your Sharan from heavy dirt. Dangerous stone-throw is also reduced, and spray minimised. The characteristics of their temperature-resistant material have been tested under extreme driving conditions.

Item no. **7M0 075 111 A**

For front, model year 03 or earlier

Item no. **7M0 075 111 B**

For front, model year 04 or later

Item no. **7M0 075 101 A**

For rear

*FKZ = colour code, see price list.

**You will find a list of all the available models in the enclosed price list.

Protection and reliability.

Look after your Sharan using our practical, useful Volkswagen Genuine Accessories. They will help you maintain clarity under extreme weather conditions, and keep everything at hand in an emergency. We wish you a safe journey!

Care and cleaning agents

The Volkswagen series of care and cleaning agents is suited to all areas of the car, inside and out. You will find more detailed information in the enclosed price list, or you can ask your local authorised Volkswagen agent about the complete range.

First-aid pouch

Hopefully you will never need it, and yet this first-aid pouch is an essential companion. Complies with the German legal regulations § 35h StVZO, its content with DIN 13164.

Item no. **000 093 114**

Warning waistcoat

This lightweight safety waistcoat in fluorescent orange with reflective signal stripes is made from 100% polyester and is approved under DIN EN 471. In Germany, drivers must carry a warning waistcoat in work vehicles (except if you are self-employed), and it is already obligatory for every occupant in some other countries.

Item no. **000 093 062 C**

Warning triangle

A safeguard just in case. Its design makes this warning triangle very small when folded up so that it takes up very little space. Complies with ECE regulation 27. With pivoting metal feet.

Item no. **000 093 057**

Scope, appearance, specifications, dimensions and weights all accord with the information available at the time of going to print. All of the details of equipment levels and technical specifications are based on the characteristics of the German market. Because we are continuously developing the accessories, we reserve the right to make changes to the scope, design and colour of products without prior announcement. This paper is manufactured from chlorine-free bleached cellulose.
