

Volkswagen Accessories

**Urban exotic.
Accessories for the Tiguan.**

Movement fascinates. In fact, there are few subjects that excite people more. That's because movement is synonymous with freedom. At Volkswagen we associate our Volkswagen Accessories with supreme quality, functionality, comfort, and much more besides – because we believe that one point of view is not enough to appreciate the thousand aspects of your vehicle.

Volkswagen Genuine Accessories

Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Furthermore, our product philosophy is all about innovative technologies and top-level design – down to the finest detail. After all, Volkswagen Genuine Accessories are developed, tested and approved alongside each vehicle. And we want you to feel at home in your Volkswagen at all times.

Experience our broad range of six product families for more individual mobility, driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

Volkswagen Genuine front spoiler

Strong lines: the sporty front apron accentuates the muscular nose of the Tiguan. Made from resilient, high-quality plastic. Only for the Tiguan with 18° front. Scheduled to be available from May 2008.

Volkswagen Genuine underride guard, front

This underride guard is made from high-quality stainless steel and emphasises the Tiguan's offroad character. Only for the Tiguan with 18° front. Only in conjunction with the Volkswagen Genuine front spoiler. Scheduled to be available from May 2008.

Volkswagen Genuine roof spoiler

Subtle but effective. Rounds off the back of the Tiguan perfectly. Made from particularly impact-resistant and tough material. Primed ready for painting in your car's colour. Scheduled to be available from May 2008.

Volkswagen Genuine wheel arch wideners

These wheel arch wideners made from high-quality, flexible material add a visual touch but also protect the edges of the wheel arches and ensure that 19" wheels are fully covered as stipulated by law. Scheduled to be available from May 2008.

Volkswagen Genuine running boards

(not pictured)

Gives the side of the vehicle a powerful look. The running boards underline the car's unmistakable character and, with their embedded non-slip coating, they make getting in easier. For loads of up to 150 kg. Scheduled to be available from May 2008.

Volkswagen Genuine rear spoiler with diffuser

The rear spoiler made from high-quality, flexible material, rounds off the Tiguan's striking image. The diffuser emphasises the offroad look of the back of the vehicle, and adds a classy touch in its stainless steel finish. Includes cut-out for tailpipe ends on the left. Scheduled to be available from May 2008.

To challenge the road, all you need is one thing: untameable passion.

Volkswagen Genuine dividing grille

The dividing grille separates the luggage space from the passenger compartment between the top of the seat back and the ceiling. Together with the luggage space divider it completely partitions off the load space. The strong, black, powder-coated steel grating is easy and conveniently secured to the lashing eyes fitted behind the rear seat bench using threaded hooks and handy knurled nuts. New holes do not have to be drilled, which means the dividing grille can be removed at any time without leaving any marks. The function of the airbags is in no way impaired. The luggage space cover can still be used with the dividing grille in place.

Item no. 5N0 017 221

Item no. 5N0 017 222

Volkswagen Genuine Bobsy G3 plus

The Bobsy G3 plus is made up of a seat cushion and sleep support, and places the child at the right height so that the seat belt assumes the best possible position. The seat surface can be adjusted to suit the child's breadth across the hips. The height of the sleep support can be adjusted, and it can be tilted to match the car seat back, ensuring that the child stays comfortable even on longer journeys. Covers are removable and washable. The seat is secured using the 3-point belt. For children between 15 and 36 kg (from 4 to 12 years).

Item no. 00V 019 906 A

Awaken your protective instincts.

Volkswagen Genuine parking distance control

Parking distance control can be retrofitted and makes parking easier using acoustic signals. The distance is measured by four ultrasound sensors embedded inconspicuously into the bumper. Includes an intelligent set-up function, which prevents objects such as the tow bar from being wrongly recognised as obstacles.

Item no. 1K0 054 630 B

Volkswagen Genuine rear trim in chrome look

This chromed trim sticks onto the lower edge of the boot hatch and gives the Tiguan an individual touch and extra elegance. A plastic strip made from artificial resin, it has a shiny, high-quality chrome look, is easy to fit, and requires no drilling. Its self-healing surface absorbs light impacts and wear.

Item no. 5N0 071 360

Volkswagen Genuine cruise control

Electronic instrument for controlling the speed of travel. It relieves the driver when adhering to speed limits and towing, particularly when driving long distances. The system stores and maintains the speed chosen by the driver. The reset function automatically accelerates the vehicle to the previously chosen speed after braking and/or changing gear.

Item no. 1K0 054 690 A

Volkswagen Genuine stainless steel treadplates

These high-quality stainless steel treadplates, with Tiguan lettering on the front pair, protect the heavily used threshold area against scratches and damage, and give your Tiguan an individual look. 1 set = 4 treadplates, for all four entrances.

Item no. 5N0 071 303

Volkswagen Genuine luggage space liner

Light, flexible, and precisely tailored to the contours of your Tiguan. Ingenious and highly practical details: 5-cm-high edges to protect against liquids, integrated anti-slip diamond texture, easy to roll up and tuck away in storage when not in use.

- Item no. 5N0 061 160** **For vehicles with raised load space floor**
- Item no. 5N0 061 161** **For vehicles with lower load space floor**

Volkswagen Genuine luggage tray

This useful boot protector for your Tiguan is a perfect fit. It is wipeable, non-slip and acid-resistant. It has 5-cm-high edges all round, which prevent liquids from running onto the floor of the vehicle. With Tiguan lettering.

- Item no. 5N0 061 180** **For vehicles with raised load space floor**
- Item no. 5N0 061 181** **For vehicles with lower load space floor**

Volkswagen Genuine luggage trough

This high-cut Hostalen insert with broad grooves is extremely robust and acid-resistant. The insert with Tiguan lettering protects the boot of your vehicle against dirty objects such as boots and plants, and is easy to clean on account of its smooth plastic surface. For vehicles with raised load space floor.

- Item no. 5N0 061 170**

Volkswagen Genuine reversible boot mat

This precision-fit, practical reversible mat made from velour protects the boot of your Tiguan from all kinds of dirt. The easy-care, dimpled plastic on the reverse ensures that your load does not slide around. A useful helper whenever you have to transport dirty or wet objects. For vehicles with raised load space floor.

- Item no. 5N0 061 210**

Volkswagen Genuine sunblind for side windows

This folding sunblind precision-fits to the side windows in the back of your Tiguan by means of a flexible spring steel mount, and it improves the climate in the vehicle considerably. When not needed it can be stored away conveniently in its bag, which comes included. 1 set = 2 blinds.

Item no. 5N0 064 363

Volkswagen Genuine clothes hanger

Keeps your clothing free of creases while you drive. Simply attach the clothes hanger to the headrest. Arrive without a crease in your jacket!

Item no. 00V 061 127

Volkswagen Genuine Premium fabric footmats

These fabric footmats are perfectly shaped to fit in the footwell of your Tiguan, and are made from tough, tightly woven velour with silver Tiguan lettering on the front mats. Their wear-resistant back coating and the specially designed attachment points on the floor keep the front mats fixed to the vehicle and prevent them from sliding around. Colours: black and anthracite.
