

**In the midst of life.
Accessories for the Caddy and Caddy Maxi.**

At Volkswagen we associate our accessories with supreme quality, functionality, comfort and much more besides – because we believe that one point of view is not enough to appreciate the thousand aspects of your vehicle.

Volkswagen Genuine Accessories

Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Furthermore, our product philosophy is all about innovative technologies and top-level design – down to the finest detail. After all, Volkswagen Genuine Accessories are developed, tested and approved alongside each vehicle.

As well as Volkswagen Genuine Accessories, you will find that this brochure contains accessories made by other manufacturers, which offer a useful addition to our own range. You will recognise these products because the manufacturer's brand name is shown next to the picture.

Experience our broad range of seven product families for more individual mobility, driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

Many of the products shown in this brochure can also be found in our Volkswagen Accessories E-Shop at www.volkswagen-zubehoer.de

Whatever you have planned – the Caddy can accommodate it.

The Caddy is a car which fits easily into the way you live. That's because the agile all-rounder adapts to your expectations – just as we have adapted our Volkswagen Accessories specially to the Caddy. They allow you to decorate and modify your Caddy exactly the way you choose. After all, the Caddy has many facets, including a sporty side.

**Good contacts are very important.
Especially with the road.**

Anyone who owns a Caddy enjoys driving and does so a lot. But it isn't only the Caddy itself that is important, it's the wheels as well. A heat-hardened alloy of aluminium, magnesium and silicon looks good and makes the wheels resilient to scratches and knocks. That way you'll still be cutting a good figure on the road for years to come.

“DVD Voyager 4” multimedia kit

The “DVD Voyager 4” multimedia kit makes car journeys an especially comfortable experience for your back-seat passengers. Makes long drives child’s play if you’re carrying young ones. The tablet DVD player integrated into the 7" TFT display plays DVDs, CDs in all common formats, and MP3s. The system is EU crash-tested, and the player’s rounded corners minimise the risk of injury in the event of an accident. A child-proof safety device in the player’s mounting system prevents the unit from falling out accidentally. Quick and easy to fit to and remove from the headrests. The player has an attractive, slim design, is light and portable, and so can be used in different vehicles. Can be ordered as a Basic or Comfort kit. You will find more detailed information in the enclosed price list. For Caddy and Caddy Maxi.

Item no. 000 063 500 ES

Volkswagen Genuine iPod adapter

The iPod adapter allows you to connect your iPod to the Volkswagen radio or navigation system, which can then be used to control the iPod. Not suitable for vehicles with the RNS 510 radio navigation system or the RCD 210 or RCD 510 CD radio. You will find instructions for use in the enclosed price list. For Caddy and Caddy Maxi.

Volkswagen Genuine loudspeaker upgrade set

This loudspeaker set features high-quality, attractive materials such as polypropylene membranes and matt-silver varnished dust caps, to ensure the perfect listening experience. Even without an additional amplifier the speakers deliver high performance without distortion, and a dynamic, distinct sound picture on account of their extended frequency response. Separate adapters and cables are not required for installation. For Caddy Life and Caddy Maxi Life.

Item no. 2K0 063 608

Receptivity

Whether your Caddy or Caddy Maxi came fitted with a mobile phone kit or not, you can still choose the system that best suits your needs.

For vehicles without telephone kits

Volkswagen Genuine telephone cradle

The telephone cradle is made from high-grade plastic and is perfectly suited to the interior in both form and function. Mounted to the right of the dashboard. The function of the airbags is in no way impaired. Colour: black.

Item no. 2K1 051 601 01C

Volkswagen Genuine easy mobile installation kit

The easy mobile installation kit was developed for all vehicles that do not come factory-fitted with a telephone kit. It comprises a basic set and a mobile-specific connection set, and enables you to call hands free in the vehicle. If you need to use a different mobile phone, the connection set can be swapped in a few easy moves. The basic set is universally compatible with all mobile phone types.

Item no. 7L0 051 435 X¹

Volkswagen Genuine Bluetooth pairing adapter

The Bluetooth pairing adapter enables you to connect a Bluetooth mobile phone to a factory-fitted telephone kit. The adapter inserts into the telephone kit's mounting just like a mobile adapter set. The pairing adapter connects using your mobile phone's Bluetooth hands free profile. Following a one-off pairing process between the mobile phone and the telephone kit, the mobile phone can remain in your pocket while driving, but still be used. For Caddy and Caddy Maxi.

Item no. 3C0 051 435 PA

12
13

CC 9050 Bluetooth hands free system

This hands free system includes additional listening enjoyment: the integrated MP3 playback function enables audio-stereo streaming via A2DP and your radio's Aux-In socket. This means you can listen to your mobile phone's playlist while driving. Audio and voice is heard through the vehicle's own speakers. The system is attached by sticking it to the dashboard. You will find the adapter cables you require in the enclosed price list. For Caddy and Caddy Maxi.

Item no. 000 051 433 B

Make more space for what's important.

Too much work? Too much family? Too much luggage? Don't worry. With Volkswagen Accessories' flexible transport solutions, there's no more space for limitations – only more space for what's important. Adventure. Imagination. Vision. Inventiveness. Family fun. And much more besides.

Item no. 2K3 017 251 A

Children should travel as safely and comfortably as possible, and to make sure they do, Volkswagen Accessories provide the best conditions possible. Our tests go way beyond the statutory safety requirements – the side crash test, for instance, confirms the high quality of our child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30 °C – all of this comes as standard.

Volkswagen Genuine Bobsy G0 plus ISOFIX

Protection and comfort for newborns and infants. The ISOFIX securing system connects the child seat and its frame securely to the bodywork or the front passenger seat. A foot frame provides additional stability. The child seat can be slotted into the ISOFIX mounting and removed from it in a few simple moves, meaning that the frame can be left behind when you leave the vehicle. The child is held safely in the new Bobsy G0 plus ISOFIX by an integrated, height-adjustable 5-point harness. The sensitive back of a newborn is protected by an integrated seat insert. Higher side walls and the deep shell provide additional protection. The carry-handle's ergonomically curved shape is also ingeniously thought-out, and enables the baby to be put in and taken out easily. Includes a sun shield to protect against direct sunshine. Can also be used in vehicles without ISOFIX connectors but with a 3-point seat belt. For infants of up to 13 kg or approx. 15 months.

ISOFIX seats offer high-level protection: the special ISOFIX attachment standard connects the child seat securely to the bodywork. The Bobsy G1 ISOFIX DUO plus has height-adjustable harness straps and the seat shell can also be secured in three positions. Includes folding-in snap-clips for use in vehicles without the ISOFIX system. Suitable for children between approx. 9 and 18 kg (8 months to approx. 4 years).

Item no. 00V 019 909 B

**Family, work and leisure all leave their marks.
But you don't always have to see them.**

Perhaps you're driving to the building site or with your son's football team to a tournament. The Caddy can put away the kilos and the kilometres with ease, that's what it was made for – and Volkswagen Accessories provide protection and comfort for every occasion.

Volkswagen Genuine B-pillar trim

This elegant-looking film follows the contours of the vehicle and connects the rear side window visually to the front, in doing so forming a uniform surface. If the rear side windows are tinted, then the trim gives the appearance of an uninterrupted window surface. For Caddy and Caddy Maxi (Life and Kombi).

Item no. 2K0 071 002 041

Volkswagen Genuine luggage space liner

Light, flexible, and precisely tailored to the contours of your Caddy. Ingenious and highly practical details: 5-cm-high edges to protect against liquids, integrated anti-slip diamond texture, easy to roll up and tuck away in storage when not in use. For Caddy and Caddy Maxi.
