

Volkswagen Genuine Accessories®

**Pure Personality.
Accessories for the New Beetle and New Beetle Convertible.**

Mobility means fascination. Hardly any other subject thrills people more. Volkswagen Genuine Accessories® satisfy people's desire for individuality and freedom of design.

Volkswagen Genuine Accessories® transfer the premium claim of the automobile marque into the accessories segment. Well before a vehicle appears on the market, Volkswagen Genuine Accessories® accessories are developed, tested and coordinated along with it.

Quality and functionality right down to the last detail are the convincing arguments that speak in favour of Volkswagen Genuine Accessories®. Experience a wide range comprising six product families for individual mobility. For even more driving pleasure, fascination and safety. Your Volkswagen partner will be pleased to advise you.

Some of the vehicles shown in this catalogue are fitted with additional accessories and/or optional extras which, along with any decorative elements which may also be illustrated, are not included in the scope of delivery of each of the described products.

Eyecatching Details.

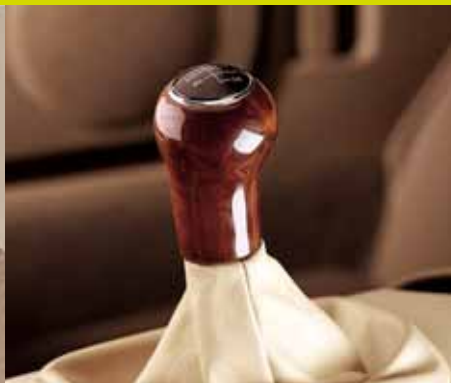

Devotion to dynamism and driving fun: elegantly designed details which perfectly complement the ambience of your New Beetle. In the top quality you are accustomed to, of course. Give your car an individual, sporty touch with Volkswagen Genuine Accessories®.

Pedal Cap Set

High-grip pedal caps made of high-quality brushed stainless steel with non-slip rubber. Consists of three parts for the accelerator, brake and clutch. Only for vehicles with manual transmission.

Art. No. 8N1 064 200

Gear Lever Knob

A little extra made of root timber with a shifting diagram lens. Sits beautifully in the hand when changing gear.

Art. No. 1J0 064 225 B

The gear lever knob in an aluminium design with shifting diagram lens adds a sporty look. Series attachment enables simple replacement.

(Not illustrated)

Art. No. 1J0 064 226 B

Sporty Tail Muffler

Sporty look, powerful sound. Made of chrome-plated, rust-free stainless steel. For vehicles with standard rear aprons.

Art. No. 1C0 071 901*

*See pricelist for engine versions

Roof Edge Spoiler

The final touch for the tail section of the New Beetle. Discreetly designed and effective in regard to aerodynamics. Primed. (Not suitable for vehicles with 110 kW or more.) Limousine only.

Art. No. 1C0 071 640 K 9AX

Tailgate Spoiler

The tailgate spoiler is just the right thing from an aerodynamic and optical point of view. Made of shockproof, break-resistant plastic. Primed. (Not suitable for vehicles with 110 kW or more.) Limousine only.

Art. No. 1C0 071 641 K 9AX

Tailgate Spoiler

(Not illustrated)
For a striking appearance. With integrated third brake light. Not primed. (Not suitable for vehicles with 110 kW or more.) Limousine only.

Art. No. 1C0 071 645 K

New Beetle all round. Quality all round.

A convincing argument: you get a full 3-year warranty on all Volkswagen Genuine Accessories® alloy wheels! The thermally hardened alloy made of aluminium, magnesium and silicon makes the wheels extraordinarily resistant to scratches and dents - a plus for your safety. This means that you can concentrate fully on the appearance when making the selection. The wheel rim configurator you will find under www.volkswagen-zubehoer.de makes it easy to view your New Beetle in combination with all available alloy wheels.

Alloy wheel rim Reggae

Rim size: 6J x 15", ET 38

For use with tyre size: 195/65 R15

Alloy wheel rim Contur

Rim size: 7J x 16", ET 38

For use with tyre size: 205/55 R16

Colour: Brilliant silver

Art.-No. 1J9 071 491 666

Snow Chains

The test winner in Stiftung Warentest issue 11/04. These high-quality, stationary mounting chains made of a heavy-duty titanium alloy are easily mounted onto the stationary vehicle to ensure that you reach your destination safely. No subsequent adjustment is necessary thanks to the self-tensioning system. The interior locking system opens by itself when the chains are removed. Also suitable for vehicles with low clearance, because they are only 9 mm thick. With integrated rim protection.

You will find article numbers and notes on use in the pricelist.

You will find our range of complete wheel sets in the enclosed pricelist.

Standard wheel bolts can be used with all Volkswagen Genuine Accessories® alloy wheels. A special, particularly hard-wearing lacquer coating guarantees the suitability of all alloy wheels for winter driving conditions.

Wheel Bolt Locking Set

Your alloy wheels are more secure with this theft-inhibiting wheel bolt locking set.
Art.-No. 000 071 597

*The design elements are sets for one wheel. Please order four per vehicle.

Top entertainment and an open road.

For disturbance-free entertainment and information on the road: Volkswagen Genuine Accessories® offer intelligent solutions specially coordinated to suit your New Beetle. The effect of this is less installation expense and effort. Optically perfect integration of the fitted parts into the interior. Optimum results - from the reception quality to the rich sound.

CD and MP3 Radio Gamma

(Illustration on the left)

Harmonizes with the retro look of the New Beetle and fills it full of state-of-the-art technology.

CD and MP3 radio with RDS/EON, TP, TA, TIM. 4 x 20 watt output, 4 x line out. Autostore.

Can be combined with the Volkswagen CD changer

(Art. No. 1K0 057 110).

Available in 2 display colours.

Display colour: blue

Art.-No. 1C0 057 196 AL

Display colour: white

Art.-No. 1C0 057 196 AM

CD Changer

Free selection of your favourite music. Volkswagen Original 6 x CD changer with motor eject. Frequency response 5 - 20,000 Hz, double-speed drive with intermediate storage. Noise-shaping D/A transformer with 32 x oversampling. Holographic 3-beam pick-up. Vibration-damped mechanical parts. For installation into the central console in place of the storage compartment.

Art.-No. 1K0 057 110

Wiring set for CD changer

Art.-No. 3B0 051 592 B

CD Storage Bag

To ensure that you have your own personal Top 12 with you wherever you go. Soft storage bag made of black leather with separate compartments for 12 CDs. With zip fastener for secure closing.

Art.-No. 00V 061 133 01C

Multimedia Kit „DVD Voyager 4“

Roll 'em for your own personal car cinema – the “DVD Voyager 4” multimedia kit turns a drive in the car into a particularly comfortable experience for all back-seat passengers. The tablet DVD player integrated into the 7” TFT display plays DVDs, CDs and MP3s in all standard formats. Quick and easy assembly and removal from the head-rests. The crash-tested system can also be expanded to include additional multimedia kits, the connection of games consoles and an extensive range of accessories. The portable multimedia kit is not restricted to the car, it can be used everywhere. You will find more information in the pricelist.

Art.-No. 000 051 780

PhatBox

Digital sound in the car too. The PhatBox car audio system makes this possible. A hard disk replaces conventional media, such as CDs and audio cassettes, and can store up to 7,000 pieces of music as audio files (mp3, wav, wma, ogg, flac). With the easy-to-use Music Manager software (Windows 98 SE/ 2000/Me/XP), you can compile your own personal hit parade on your PC at home and transfer it to the DMS hard disk in the PhatBox via the USB cradle. It is activated via Volkswagen radios/navigation systems with CD changer control.

Art.-No. 000 057 110 B

Convenient Mobile Phone Installation Set

The convenient mobile phone installation set was developed for all vehicles not already fitted with a hands-free mobile phone system ex factory. It consists of the basic set and a mobile phone-specific set which enable the use of a telephone inside the vehicle without using your hands. The phone-specific connection set can be easily exchanged when you upgrade to a different mobile phone model. The basic set can be used universally with all mobile phone models.

Telephone Console

Functional and practical: ergonomically constructed telephone console, perfectly designed to fit the dashboard of the New Beetle.

Art.-No. 1C1 051 601 A 01C

Basic Set

For vehicles not already fitted with a hands-free mobile phone system ex factory.

Art.-No. 6X0 051 437

Mobile Phone-Specific Connection Set

For vehicles not already fitted with a hands-free mobile phone system ex factory.

Art.-No. 6X0 051 435 X*

You will find information on **antennae and mobile phone adapters for factory-installed hands-free systems** in the enclosed pricelist.

X* = mobile phone-specific index. See pricelist for mobile phone model usability.

A new transport miracle every day.

Be on the safe side - use the transport systems that have been specially developed for the New Beetle. By doing so, you can transport even bulky loads easily and get them safely to your destination. You will be surprised at the amount of space that Volkswagen Genuine Accessories® transport solutions provide for your leisure and outdoor equipment. Dead easy handling included.

Basic Carrier System

(illustrated on the left with luggage box)
The basis for all roof attachments. Designed to fit the New Beetle right from the word Go. Made of eloxy-coated, aerodynamically shaped aluminium profile sections, lockable. Premounted for quick and easy assembly. Dead weight: approx. 6 kg. City crash-tested. Limousine only.

Art.-No. 1C0 071 126

Ski and Luggage Box (illustration on the left)

Stow away your additional luggage in this beautifully designed, sturdy roof box made of high-quality plastic. The quick-lock system enables speedy and simple mounting onto the basic carrier. The lockable box can be opened from both sides and the extra large opening angle makes loading and unloading easier for you. Exterior dimensions: 190 x 90 x 38 cm, weight: approx. 25 kg, cubic capacity 450 l. For up to six pairs of skis or four snowboards (length max. 180 cm). Maximum weight: approx. 20 kg.

Art.-No. 000 071 175

Surfboard Carrier (not illustrated)

For the convenient transport of up to two surfboards. Mast holders and tensioning belts included. Quick and easy mounting onto the basic carrier.

Art.-No. 445 071 127

Bicycle Rack

For ambitious bikers. Bike rack made of specially shaped plastic profile sections. Frame brackets made of chrome-plated matt steel. Simple handling and mounting. Dead weight approx. 3.2 kg. City crash-tested.

Art.-No. 6Q0 071 128 A

Ski and Snowboard Rack

Easy loading and unloading thanks to the practical pull-out function. Lockable. Made of eloxy-coated aluminium profile sections. For max. 6 pairs of skis or max. 4 snowboards.

Art.-No. 1T0 071 129

Bike Rack for Towbar Attachment

For the safe and secure transport of up to two bikes. Flexible handling and fastening thanks to lockable attachment screws. Quick mounting to the ball head of the towbar attachment (D Value min. 6.7 kN). Dead weight 15.5 kg, max. load per bike rail 15 kg. The load-bearing capacity of the towbar attachment must not be exceeded.

Art.-No. 3C0 071 105

Extension set for a third bicycle

Art.-No. 3C0 071 105 E

We ensure that your little ones travel comfortably and in a manner suited to children, even on longer journeys, because we set high standards where the safety of your children is concerned. In addition to the legally prescribed safety requirements, the additional tests we perform, such as the side-on crash test, confirm the quality of Original Zubehör children's seats. The Bobsy children's seat system convinces users with its practical handling and perfect finishing. All covers are removable and washable at 30° C.

Bobsy G0 plus ISOFIX

Where the standardized ISOFIX connector was only available for children weighing between approx. 9 and 18 kg up to now, the G0 plus with ISOFIX connector is available with immediate effect for babies weighing up to 13 kg. The ISOFIX fastener system firmly connects the children's seat with base frame to the body of the car, and a foot rack provides additional stability and safety. The seat snaps in and out of the ISOFIX bracket easily, which means that the base frame can stay in the car when you leave it. In the new Bobsy G0 plus ISOFIX, the child is held securely in the seat by means of an integrated, height-adjustable 5-point harness. The integrated seat insert protects the sensitive backs of new-born babies, and the raised side panels and a deep shell provide additional protection. The ergonomic shape of the pivoted carrying handle is also well designed to allow you to position and remove the baby with ease. Includes a sun shade for protection against direct sunlight. Can also be used with a 3-point safety belt in vehicles without an ISOFIX connector. For babies weighing up to 13 kg or aged up to approx. 15 months.

Art.-No. 00V 019 907

Protect the parts that are valuable.

Bad weather? Heat wave? Volkswagen Genuine Accessories® offer you lots of different ways to protect your car from the traces of intensive use and allow you to enjoy more comfort in your day-to-day driving. Maintaining the value and condition of your New Beetle is one more good reason for deciding in favour of the product quality of Volkswagen Genuine Accessories®.

Cargo Liner (illustration on the left)
Fits like a glove. This durable protective polythene boot cover is washable and non-slip, so it really doesn't matter if something gets spilt during a shopping trip or outdoor excursion.

Limousine only.

Art.-No. 1C0 061 160 A

Loading Edge Protective Film

Precisely fitting loading edge protective strip made of transparent film. Sticks on easily to the rear bumper. Prevents damage during loading and unloading. Limousine version.

Art.-No. 1C0 061 197 A

New Beetle Convertible version.

Art.-No. 1C5 061 197

Sun Shield

The light and heat-reducing accessory for the summer. The stretch mechanism enables precise fitting to the rear windscreen in a matter of seconds. Folded up, the sun shield disappears into the space-saving storage bag, which can be attached to the back of the rear seats in the boot.

Limousine only.

Art.-No. 1C0 064 160

Wind Deflector

Open windows for better air circulation. Annoying noises during the trip are effectively reduced.

Limousine only.

Art.-No. 1C0 072 195

Dirt Catcher (not illustrated)

Reliable protection against dirt and stones. Made of hard-wearing plastic.

Front.

Art.-No. 1C0 075 111 B

Rear.

Art.-No. 1C0 075 101 B

Rubber Footmats

Indestructable. Withstand everything and protect the floor of your New Beetle. The front mats are secured against slipping by an attachment system on the floor. Durable and low-emission.

Front.

Art.-No. 1C1 061 501 528 Grey

Art.-No. 1J1 061 501 B 041 Black

Rear.

Art.-No. 1C0 061 511 528 Grey

Art.-No. 1C0 061 511 041 Black

„Premium“ Textile Footmats

Made of hard-wearing, tightly woven velours with an offset, silver „New Beetle“ logo. There are fastening points on the floor at the front to prevent the from slipping. Colour: Anthracite

2-part, front.

Art.-No. 1C1 061 275 P RYJ

2-part, rear.

Art.-No. 1C0 061 276 P RYJ

4-part, front and rear.

Art.-No. 1C1 061 270 P RYJ

Coat Hanger*

For business or festive occasions. Crease-free transport of your clothes. Simple attachment behind the headrest.

Art.-No. 000 061 127

* For safety reasons, no passengers may sit behind the clothes hanger when attached.

Useful. Practical. Important.

You want to keep your Beetle in top form and be prepared for all eventualities when you are out and about? Volkswagen Genuine Accessories® quality makes a big difference in the small details your car's daily routine in regard to functionality, durability and safety.

Cleaning Agents and Polish

(illustration on the left)

The only range of cleaning agents and polishes tested and approved by Volkswagen is suitable for all areas of application in and around the car and is fully compatible with the materials used in your New Beetle. You will find more information in the enclosed pricelist or if you prefer, you can ask your Volkswagen partner about the complete range.

Windscreen Coating (not illustrated)

The Volkswagen windscreen coating makes use of the „Lotus Blossom Effect“ and transfers it to your car windscreen. Raindrops roll off with the air stream, taking dirt particles with them. The effect lasts for up to 1 year or approx. 20,000 km.

Art.-No. 00V 096 330 020

Tow Rope

TÜV and DIN-tested tow rope in accordance with the standard DIN 76033 for a max. permitted weight of 1,450 to 2,500 kg.

Art.-No. 000 093 014

Warning Triangle

Additional safety in the event of an accident or breakdown. Thanks to its design, the warning triangle is very small when folded together and takes up very little space. Complies with ECE Regulation 27. With pivoted metal feet.

Art.-No. 1Y0 093 055

Warning Vest

This lightweight safety warning vest in fluorescent orange with reflective signal stripes is made of 100 % polyester and is approved in accordance with DIN EN 471. It is compulsory for the drivers of company cars in Germany to carry one with them (freelancers excluded) and in some countries, it is already a legal requirement to carry one for all passengers.

Art.-No. 000 093 062 C

First Aid Kit

This DIN-approved first aid kit complies with the legal provisions of Art. 35 of the German Highway Code and DIN standards, and is an indispensable aid in an emergency.

Art.-No. 000 093 114

The information concerning the scope of delivery, appearance, performance, dimensions and weight of the products on offer is given to the best of our available knowledge at the time of going to print. In the course of the further development of the accessory articles, we reserve the right to alter the scope of delivery, design and colour of the products without giving advance notification. This paper is made from cellulose bleached without chlorine.
